Canadian Business Leaders Breakfast

Recognizing Canadian corporate social innovation

featuring **Bill Young**, President of **Social Capital Partners**

Tuesday, November 15, 8am to 9:30am
Holiday Inn & Suites Parkway Conference Centre
327 Ontario Street, St. Catharines

BILL YOUNG, *President of Social Capital Partners*

Is it realistic for business to make the world a better place at the same time as improving its financial performance? Bill Young thinks so. He believes that corporate social responsibility is evolving from the margin of what a company does to being part of its core business. He will use the story of Social Capital Partners to present real life examples of businesses that have generated better financial and social returns through implementing community hiring programs and will give his thoughts why this is a trend that is taking off.
